B2B & Bulk Supply

VG Naturals welcomes enquiries from manufacturers, formulators, personal-care and cosmetic brands, herbal tea businesses, home-care brands, distributors, wholesalers, hospitality businesses and other botanical-product buyers.

• Bulk enquiries: essential oils, hydrosols, herbal tea products, home-care products and fresh botanical materials.

• Share the product name, required quantity, intended application, preferred pack format and delivery location.

• Bulk pricing, MOQ, specifications, supply availability and delivery terms are confirmed individually. No unverified MOQ or delivery promise is published.

• Fresh Tulsi Leaves and Fresh Basil Leaves: availability depends on current supply and delivery location. Please check before ordering.

Important Product Notes

Tulsi and Basil are distinct botanicals: **Tulsi — Ocimum sanctum**; **Basil — Ocimum basilicum**. Refer to the product label and confirm specifications for your intended application. Descriptions are informational and do not make medical or disease-prevention claims.
